NEWSLETTER

The first outdoor get together was held in Lincoln Park on May 15th and was attended by 24 members. We did not do much bike riding but certainly did a lot of talking. However, there was sufficient exercise for the least experienced members.

The next outdoor get together will be held on Credit Island in Davenport, at 2.00 pm on Saturday June 6th. This outing is led by Betty and Fred Blessin and will give more opportunity for for bike riding - there are no hills on this circuit. We can ride a lot of miles or only a few, according to personal desire, or fitness. So let us see a good turnout.

For those who are interested in seeing some of the bike racing that the ambitious members of the club are always talking about, there is an event being held close enough to drive to. This event is to be held in Rockford on June 7th. The course is in BLACK HAWK PARK, located just East of Rock River at 20th Ave, and the events start at 12:00 Noon Sharp. There is a 50 mile senior race and a 10 mile junior race, the prize list is exceptionally good and the events will attract good competition.

Entries from our club will be Dale Hallberg, Ian Hibble, John Hood jr, and John Hood. Another possibility may be Jeff Parker.

Why not bring a picnic, enjoy seeing some good competition and cheer on the 'boys'?
