JUNE '64

## NEWSLETTER

Due to vacations in the month of July there will not be any organized social ride.

Among others these people will be spending some time away - The Strieders, The Greens, The Blessins and the Hoods.

However, we hope that you will all keep on getting the miles in as we hope to have several runs during the month of August. There are not many racing events during this month and all can participate.

Speaking of races: In the National Championship Road Race held on June 28th, Dale Hallberg was 27th, John Hood was 25th and John Hood snr was 23rd. They all did well competing against the best 100 riders in the U.S.A. They were three very tired riders at the end of the race which saw only 34 finishers.

Archie Siirila has left us to help Uncle Sam- he is currently doing basic training at Lackland A.F.B. in Texas. Good Luck Archie, keep in touch.

Finally: there is a Bicycle Day being held at Meadowdale International Raceway on Sunday July 12th 1964. There is auto-free riding around the famous sports car track (3.27 miles around), Bicycle games and contests, picnic facilities, and a pre-olympic 50 mile bicycle race.

This will be a good day out with events of interest for all. Call me for information.
