THE SPROCKET

Official Organ of the

# QUAD CITIES BICYCLE CLUB

You are reading a copy of the very first printing run off on the Club's new Hyer Copier, made available to the Club through the generosity of Mr. Rene DeLanghe. The machine will be on display, along with the Club's new typewriter, at our next meeting, Sunday, February 16.

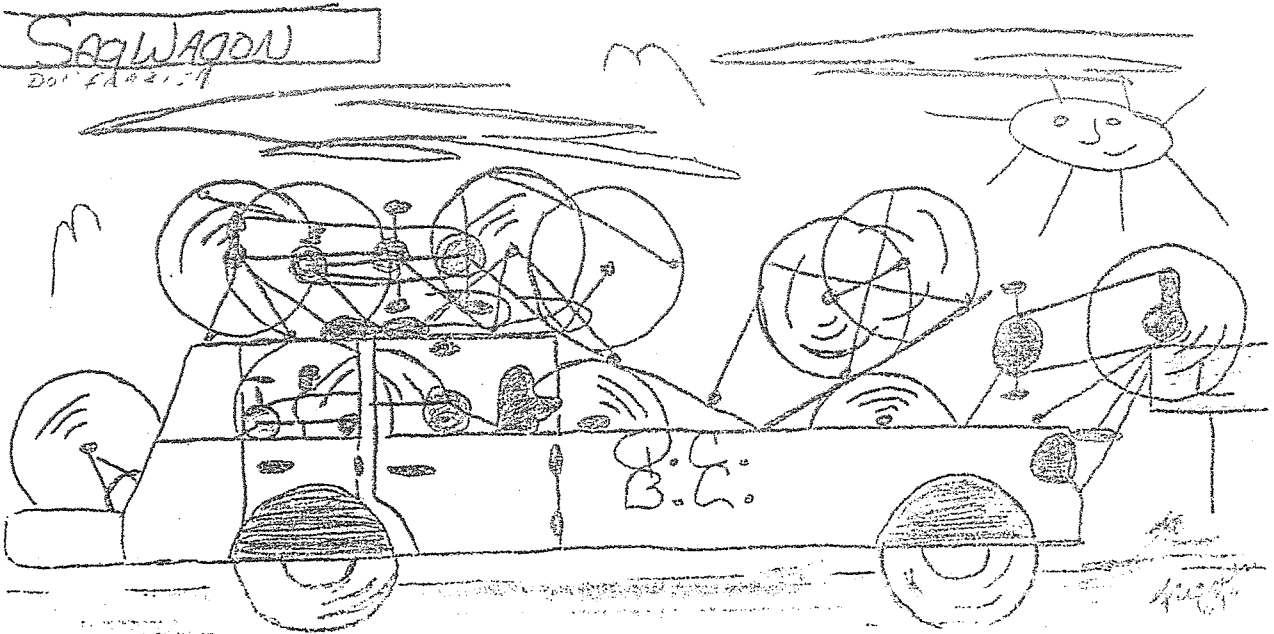

There are several important items to attend to at this meeting-- 1969 Schedule of Events, proposed Constitution, distribution of Club flyers and Roster of Membership, and race planning only to mention a few. If you haven't paid '69 dues, this will be a good opportunity. Don't miss out on this important meeting. It is Sunday, February 16 -- 2:30 P.M., 1722 1/2 7th Street, Moline -- better known as the Friends Circle Hall. See you ALL then.

Cyclingly,
