ANOTHER FIRST - OPEN TO THE PUBLIC - BIKE CLUB MEETING

Moline Y.W.C.A. - 6th Ave. & 17th St., Moline, Illinois
Sunday, March 23 --- 2:30 P.M. --- REFRESHMENTS!!!

Don't miss this important meeting! At this meeting we will distribute the Club Membership Roster, Club advertising flyer, and (we hope) raffle tickets for a lightweight tandem bike. Midwest Cycle has made us a good offer on a five speed tandem for our money-making project. This tandem will be raffled off at our 4th Annual 7th St. Race on May 4, 1969. Raffle tickets will be ready and will be distributed to those wishing to help our Club make money for the race. WE NEED YOUR HELP!!!

Club Member Mike Wietlispach has made arrangements with Trooper Wally Smith of the Illinois State Police to hold a safety talk and show a film on bike and highway conduct.

Real Wheelmen --- See Wayne for a wheel
See John for a deal

Mr. Wayne Clevenger, Owner-Operator of Midwest Cycle & Supply, 3702 14th Ave., Rock Island, has agreed to a 10% discount on bike supplies to all club members. Wayne has been an eager supporter of club activities, so let's all take advantage of his generosity.

Mr. John Rogers of Midwest Typewriter, Moline & Rock Island, welcomes all club members' business for office supplies. John made an extremely attractive deal on the Heyer Copier that makes these flyers possible.

Let's show these people that we appreciate their cooperation and assistance.

SEE YOU ALL ON THE 23rd!! This will be our last INSIDE meeting until next winter.

Bob Seaberg, President
