

QUAD-CITIES BICYCLE CLUB

Fall Bulletin - 1975

HERE WE ARE with the last bulletin of the season. There will be no October meeting but members of the nominating committee will meet soon to come up with a slate of officers to be presented at the November meeting.

NOV. 11

THE NOVEMBER MEETING (and mark this on your calendar), will be at Bishop's, Duck Creek Plaza at 6:30 p.m. We will go through the line and have our meeting in a private room. There is no charge for the room if we are finished by 8:30. Main matter of business is election of officers.

DIABETES BIKE-A-THON is this Sunday, October 5 (entry blank enclosed). Here's a chance to help a good cause and in so doing perhaps win a valuable prize. Proceeds go to research in the field of Diabetes; namely, at the University Hospitals, Iowa City. Also, children may attend the Diabetic Camp at Boone, Iowa. Last year 18 area children were sent to this camp!

IF THERE IS ENOUGH INTEREST, we will have an overnight trip to ride the Wisconsin bikeways over the October 11, 12, 13 Columbus Day weekend. For details call Frank King, 359-8291.

ALSO ON THAT SUNDAY, OCTOBER 12, Claude and Gwen Patton will lead a ride forming at 1:30 p.m. a mile past the Hospital in Savanna, Ill. at the Law farm. This is a beautiful ride for enjoying the Fall color show.

MEMBERS IN THE NEWS -- Peg Schrend, Terry Burke and Elizabeth Schwegler appeared, along with Davenport's Mayor Kirschbaum, in a Quad-City Times feature, "Pedaling with a Purpose". Also in the Times were Evelyn Bates and Dorothy LeBeau who rode in the United Way Campaign Kick-off. The Dispatch also carried a picture. A few of the others who rode were Terry Burke, Denny Murphy, Ken Davie, and Dave Burger, and Robert Dorr.

* ANYONE WHO RODE AND COMPLETED the Sept. 14 National Century may get a patch by mailing \$1.00 and a stamped, self-addressed envelope to Elizabeth Schwegler, 4207 - 11th St., Rock Island, Ill. 61201. Elizabeth also asked that we mention the Midwest Bicycle Club Clinic slated for October 31, Nov. 1 and 2 at Springfield, Ill.

THE GALENA HILLY-HISTORIC Sept. 20 and 21, although not the best weather, was enjoyed by about a dozen bike club members.

THOSE OF YOU WHO WERE AT THE SEPTEMBER MEETING, saw Steve Bahnsen's display of postcards collected along the way during RAGBRAI and SAGBRAI. His display of postal cards and pictures of Post Offices along the route of the ride is on display in the Main Post Office in Davenport, 935 West 2nd St. Then in late October, it will be moved to the Post Office in Rock Island, 211 - 19th St. It will be in the display case maintained by the Quad-City Stamp Club. Since this exhibit contains 60 or more postmarks, it will be a nice stamp club show but also of interest to QCBC members.
